Bienvenidos al Directorio Coamed 2020/ 2021

ESTAMOS PRESENTANDO en estas páginas un extraordinario grupo de médicos y profesionales de la salud, y hemos incluido una reseña histórica de nuestro servicio del último año. Las misiones se han vuelto más complejas y más variadas, pero lo bonito es que las hacemos de todo corazón, no importa el lugar, la raza o la situación. Los lazos con nuestros aliados se han fortalecido por una palabra que genera nuestra Fundación: confianza. Confianza en hacer y dejar una huella especial en las vidas de muchos.

Quiero invitarlos a que conozcan al grupo médico de COAMED; su labor médica es sobresaliente pero su labor humana llena a nuestra fundación de optimismo y de razones para seguir adelante.

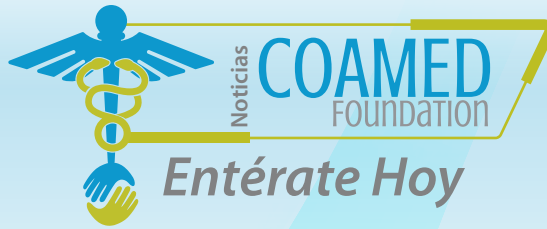

Un agradecimiento especial a nuestra Junta Directiva que sabe lo complicado que es navegar en estos tiempos de incertidumbre, a nuestros patrocinadores que generosamente apoyan nuestra misión, y a todos, por su iniciativa filantrópica; muchísimas gracias. Espero lo disfruten.

WE HAVE BROUGHT together an extraordinary group of doctors and health professionals, and we've included a historical overview and a brief description of our service last year. The missions have become more complex and more varied, but the beautiful thing is that we do them with all our hearts, no matter the place, race or situation. The ties with our allies have been strengthened by a word that grows in our foundation: trust. The rapport we build is held together by a strong sense of confidence in making and leaving a special mark in the lives of many.

Welcome to the Coamed 2020/2021 Directory

I want to invite you to know COAMED's medical group; their medical work is outstanding, but their kindness fills our foundation with optimism and reasons to continue to do more. A special thanks to our Board of Directors who knows how difficult it is to navigate in these uncertain times, to our sponsors who generously support our mission, and to everyone, for your compassionate hearts, thank you very much. I hope you enjoy it.

Un espacio para ti, donde compartiremos temas de prevención médica y salud, con especialistas de diferentes áreas.

Forbes/SHOOK Research listings are based on data compiled by many of the nation's most productive advisors, selected by their firms, which is then submitted to and judged by SHOOK Research. Key factors and criteria include: assets under management, revenue produced for the firm, regulatory and compliance record, and credentials/years of professional experience. Selection of winners is done by comparing advisors at a national level, selecting winners, and then sorting them into state-specific lists. A separate evaluation is not done for each state. Portfolio performance is not a factor. This award is not indicative of this advisor's future performance. Palabras del presidente

COAMED ES UNA FUNDACIÓN QUE A TRAVÉS DE SU LABOR HA LOGRADO capturar el corazón de muchos voluntarios, administradores, Doctores y personal de la Salud en general. Generamos confianza, brindamos resultados, ayudamos a las comunidades más necesitadas y siempre estamos buscando misiones donde podamos aportar nuestro granito de arena y hacer la diferencia.

En esta situación actual que nos ha tocado vivir en el 2020, donde una pandemia ha volcado al mundo a los rincones del miedo y la incertidumbre, nuestra vocación y nuestra labor han adquirido una importancia fundamental. Yo me siento muy orgulloso y agradecido por este grupo de profesionales, donde hemos salido con la frente en alto, dando lo mejor de nosotros mismos, brindando esperanza, ayudando a enfermos y familias a afrontar la situación de la forma más humana posible y reafirmando una vez más, que seguimos siendo fieles a nuestro Juramento Hipocrático.

Gracias nuevamente mis queridos colegas por seguir haciendo de COAMED la gran Fundación de la que todos podemos sentirnos orgullosos. A nuestra Junta Directiva, con profesionales de diversas disciplinas que amplían nuestra visión y fortalecen nuestro cimiento, un sincero reconocimiento y nuestra eterna gratitud. Sigamos Adelante.

A Nicolás Fernández

COAMED IS A FOUNDATION THAT HAS CAPTURED THE HEARTS of many volunteers, administrators, Doctors and health personnel in general, through its work. We generate trust, provide results, cooperate with the neediest communities and are always looking for missions where we can give our two cents and make a difference.

In our current situation in year 2020, where a pandemic has turned the world into corners of fear and uncertainty, our vocation has become of fundamental importance. I am very proud and grateful for this group of professionals, where we have come out with our heads held high, giving our best, bringing hope and lending a hand to the sick and their families to cope with the situation in the most humane possible way, reaffirming once again that we remain faithful to our Hippocratic Oath.

Thanks again, my dear colleagues, for continuing to make COAMED the great foundation we can all be proud of. To our Board of Directors, with professionals from diverse disciplines who broaden our vision and strengthen our basis, our heartfelt appreciation and our eternal gratitude. Let's keep moving forward.

Como pueden ver la actividad y el esfuerzo de nuestros miembros y voluntarios es incansable, de alto impacto y de gran beneficio para muy diversas comunidades locales, regionales e internacionales. Estamos seguros de que con su ayuda nuestra organización seguirá creciendo y expandiendo su influencia benéfica aún más. Gracias por ayudarnos a ayudar.

Activity Report. 2019-2020

Throughout these past 7 years of work, COAMED has managed to help thousands of people with basic health services delivered through Medical Missions and Health Fairs. During 2019 and the first half of 2020, with the help of our sponsors, we had numerous rewarding and heart-warming achievements, big and small, among which we highlight the following:

- Professional hearing evaluation and donation of more than 70 high-tech electronic hearing aids to a financially vulnerable population, in association with the hearing-aid manufacturer/retailer Beltone and the local primary care health organization ASSBASALUD, E.S.E. (Manizales, Colombia).
- Professional medical and echocardiographic evaluation of 210 children with suspected congenital heart disease in association with the "Kids Heart Foundation" (Fundación Pequeño Corazon in Manizales, Colombia).

- Facilitate the highly complex cardiac surgery (congenital heart defects) of a Venezuelan migrant girl which were corrected at the Santa Clara Hospital (Bogotá, Colombia) in association with an anonymous donor and the Fundación Pequeño Corazon.
- Facilitate the travel and lodging for 12 children with advanced cancer whose dream was to get to see the Disney theme parks, in association with the Seamos Reasons to Believe Foundation (Bogotá, Colombia)
- Donate to the Small Heart Foundation (Manizales, Colombia) \$5,000 in medical equipment (portable Echocardiograph; stethoscope for telemedicine).
- Donate \$10,000 worth of new and used clothing in very good condition to the "Heart Vault" program to support the surgery program for children with congenital heart disease.

- Donation of equipment for the community kitchen/dining room at the *"New Heartbeat Foundation"* (Fundación Nuevo Latir) school in the Aguablanca District (Cali, Colombia).
- Donation of bottled water, toiletries, and non-perishable food to Hurricane Dorian victims in the Bahamas, in partnership with local construction company *"Sky Builders"* and other community organizations in Central Florida.
- Support the ZUA Foundation (Patio Bonito, Bogotá, Colombia) with the installation of tiled floors in this nursery in which the 120 children previously carried out their activities on a dirt floor.
- Serve the low-income migrants from the Latin American community residing in Florida through the information service and basic health care triage program known as *"La Ventanilla de la Salud COAMED"* that began operations in January 2020 at the General Colombian Consulate located in the city of Orlando, FL.

As it can be appreciated from the list above, the activity and effort of our members and volunteers is tireless, of high-impact and of great benefit to many diverse local, regional and international communities. We are confident that with your help our organization will continue to grow and expand its charitable influence even further. Thank you for helping us help!

GET LOST IN THE MOMENT, NOT YOUR FINANCES.

That sunrise on the water. The inaugural meal in your new kitchen. Or that first time—for anything. With a personalized financial plan from Northwestern Mutual, you can focus on the things that matter most. Now, and years from now. We think of all the what-ifs, so you don't have to. That way, you get to spend your life living.
