TSG Financial Advisors, a private wealth advisory practice of Ameriprise Financial Services, LLC

The 2023 Forbes Best-in-State Wealth Management Teams list is developed by SHOOK Research and is created using an algorithm that includes both qualitative (in-person, virtual and telephone due diligence meetings; client impact; industry experience; review of best practices and compliance records; and firm nominations) and quantitative (assets under management and revenue generated for their firms) data. Certain awards include a demographic component to qualify. Investment performance is not a criterion because client objectives and risk tolerances vary, and advisors rarely have audited performance reports. This ranking is based on the opinions of SHOOK Research, LLC, is not indicative of future performance or representative of any one client's experience and is based on data from the previous calendar year. Forbes magazine and SHOOK Research do not receive compensation in exchange for placement on the ranking. For more information: www.SHOOKResearch.com. COAMED
Foundation

La Fundación COAMED es una organización sin fines de lucro dedicada a brindar servicios de atención médica preventivos, terapéuticos, de rehabilitación y de apoyo a comunidades desatendidas. Establecida en 2013, la Fundación tiene como objetivo reducir las desigualdades sociales mejorando el acceso a los servicios de salud, la medicina y la tecnología.

A lo largo del año, organizamos varios eventos de recaudación de fondos que apoyan nuestra misión, para reunir los recursos necesarios que permiten llevar asistencia médica a quienes más lo necesitan. Uno de los pilares de nuestros esfuerzos son nuestras misiones médicas.

En marzo de 2024, llevamos a cabo una importante misión a las Islas de San Andrés, Colombia. Durante esta misión, brindamos atención médica muy necesaria a pacientes que no pueden pagar su atención médica, incluidos niños y madres solteras. El impacto de esta misión fue profundo, ya que pudimos ofrecer esperanza y bienestar a muchas personas con gran necesidad.

Mirando hacia el futuro, nos complace anunciar nuestra próxima misión al Amazonas, Colombia. Esta misión continuará con nuestro compromiso de brindar atención médica de alta calidad a poblaciones vulnerables y estamos decididos a marcar la diferencia en las vidas de aquellos que a menudo son pasados por alto y desatendidos.

Gracias por su continuo apoyo y por unirse a nosotros en este camino para hacer mas accesible la atención medica para todos. Juntos, podemos hacer un impacto duradero al brindar salud y esperanza a las comunidades de todo el mundo.

Saludos cordiales,

Dr. Javier Miller Sr.
Presidente, Fundación COAMED
2023-2025

COAMED
Foundation

COAMED Foundation is a nonprofit organization dedicated to providing preventive, therapeutic, rehabilitative, and supportive health care services to underserved communities, as well as reducing social inequalities by improving access to health services, medicine, and technology.

Throughout the year, we organize various fundraising events that enable us to support our mission by helping us gather the necessary resources to bring medical aid to those who need it most. One of the cornerstones of our efforts is our medical missions.

In March of 2024, we conducted a significant mission to the San Andrés and Providence islands in Colombia. During this mission, we provided much-needed medical care to patients who cannot afford healthcare, including children and single mothers. The impact of this mission was profound, as we were able to offer hope and healing for many individuals in dire need.

Looking ahead, we are excited to announce our next mission to Amazonas, Colombia. This mission will continue our commitment to delivering high-quality medical care to vulnerable populations, and we are determined to make a difference in the lives of those who are often overlooked and underserved.

Thank you for your continued support and for joining us on this journey to improve health care access for all. Together, we can make a lasting impact by bringing health and hope to communities around the world.

HAIR SOLUTIONS

Mi inspiración fue mi madre, quien falleció en julio de 2020. Mis pasiones y propósito en la vida cada día es el amor por la belleza y poder hacer que aquellos que necesitan cabello debido al cáncer, tricotilomanía, alopecia o simplemente pérdida de cabello o volumen, se sientan bien con mi experiencia.

En Estados Unidos, el 80% de los niños con cáncer se curan gracias a tratamientos efectivos. En Latinoamérica, la realidad es distinta: muchos niños no tienen acceso a estas curas.

Nuestra misión es llevar las curas existentes a los niños que más las necesitan y brindarles todos los recursos para que puedan vencer el cáncer infantil.
